

HOUND HAVEN PH

Adoption Application Form

Congratulations on your decision to adopt rather than buy a dog! We wish you luck in your application. Keep in mind that we carefully screen all potential furparents for our K9s. Common reasons for failing in the application process include:

- Lying on the application form or leaving out important information;
- Intent to breed;
- Looking for an outdoor or guard dog;
- unsuitable housing;
- children who are either scared or overexcited around dogs;
- incompatible pets at home

With those in mind, please answer the following questions truthfully and carefully. By doing so, we can effectively determine if you, your family and your lifestyle are well matched to the unique needs of each dog.

Note: This form will be used as basis in the initial interview to be conducted by a Hound Haven representative.
